THE REV. JOHN B. PUCHALA
Our Golden Jubilarian

KS. JAN BERNARD PUCHAŁA

Jeden z sześciu dzieci, urodził się w Polsce 18-go lipca, 1874 roku, w wiosce Mnichowice na Śląsku — o dziesięć mil krajowych od Wrocławia — z ojca Karola i z matki Jadwigi z Kubilków.

Ks. Jan zaledwie pamięta ojca swego, bo miał niespełne trzy lata jak ojciec umarł.

Po pewnym czasie matka znów wychodzi za mąż za Filipa Mosch, który prawdziwie ojcowską opieką zajmował się wychowaniem młodego Jana. Dopatrzył tego, że testament — ostatnie życzenie ojca co do wykształcenia Jana — był wykonany.

Pierwsze nauki pobierał w miejscowej szkółce wiejskiej. Po ukończeniu szkoły ludowej udaje się Jan do progimnazjum w miejscowości Kempno w prowincji Poznańskiej. Na wyższe studia udaje się do kolegium w Bytomiu na Górnym Śląsku.

Skończywszy kolegium, Jan szuka zajęcia na kolei, sądząc, że to będzie najodpowiedniejsze zajęcie życiowe. Lecz po kilku miesiącach, czując pewne niezadowolenie, pewien brak, rzuca pracę na kolei. Natomiast czuje pociąg do coś lepszego, do pracy wspanialszej; marzy o służbie w winnicy Pańskiej. Słyszając, że jest brak polskich księży w Ameryce — za radą innych — udaje się do tak zwanej Mniejszej Seminarium — "Petite Seminaire" — we Floreffe około miasta Namur w Belgii. Pod kierownictwem Ojców Norbertynów uczy się filozofii; rozpoczyna przygotowanie swoje do pracy duszpasterskiej wśród Polaków na obczyźnie.

Ks. Biskup Denis M. Bradley, D.D. pierwszy biskup nowowzniesionej diecezji Manchester, szukając księży polskiego pochodzenia, spotyka się z Janem we Floreffe. Przyjmuje go do diecezji.

Po ukończeniu nauk filozoficznych, na rozkaz Ks. Biskupa, Jan wstępuje na teologię do Kolegium Amerykańskiego w Louvanium w Belgii w roku 1897.

Wyświęcony został na kapłana Bożego przez Biskupa — Sufragana diecezji Maligne w Belgii J. F. Van Der Stappen, D.D. w niedzielę 15-go lipca, 1900 roku.

Zaraz po wyświęceniu Ks. Jan wyjeżdża na wakacje do domu rodzinnego na Śląsku. Tam przebywa aż do września. Pod koniec miesiąca wraca do Louvanium, skąd on i inni nowo-wyświęceni wyjeżdżają do Ameryki. Łądują w Nowym Yorku drugiego października, 1900 roku, a czwartego października przybywa Ks. Jan do Manchester, N. H., gdzie Biskup przemasza go do parafii katedralnej na pracę wyłącznie z ludem polskim. Sprawuje swą pracę niespełna dwa lata, kiedy Biskup pozwala na zakupienie kościoła protestanckiego, który przerobiony i poświęcony staje się parafią polską w Manchester, N. H. pod wezwaniem Sw. Jadwigi. Biskup mianuje Ks. Jana B. Puchałę jako pierwszego proboszcza. Obejmuje parafię w pierwszą niedzielę sierpnia w roku 1902, na której proboszczuje do dzisiejszego dnia.

Ks. Jan B. Puchała ma szczególny zaszczyt być jedynym księdzem w diecezji mianowanym przez pierwszego biskupa diecezji oraz, że znajduje się na tej samej placówce na którą był po raz pierwszy przeznaczony.

Za proboszczowania Ks. Puchały wybudowano w roku 1906 trzy piętrową murowaną szkołę. W tym samym roku zakupiono dom, który

przerobiono na klasztor dla Sióstr Felicjanek, które od samego początku wychowują naszą dziatwę. Obok klasztoru zakupiono miejsce, które dziś używają dzieci na pole zabawy podczas pauzy. A przy kościele zakupiono miejsce i dom w razie kiedy trzeba by było rozszerzyć kościół.

Pomimo trudności i przeszkód, które znajdowały się w życiu kapłańskim Ks. Puchala, Bóg Najwyższy raczył go obdarzyć łaskami i czerstwym zdrowiem tak, że doczekał się Złotego Jubileuszu, którego dziś obchodzimy.

* * * * *

Rev. John B. Puchala, the son of Charles and Hedwige Nee Kublik, was born in the Village of Mnichowice in Silesia, Poland on July 18, 1864. His early childhood was spent among happy circumstances until the age of three when he became fatherless.

In due time his mother married Philip Mosch who with true fatherly care saw to the bringing up of young John. He made it an obligation in conscience to see that the last will and testament of John's father with regard to his education was executed.

He was sent to the Village school where he received the rudiments of his primary education. Later on, his High School education was completed in Kempno in the Province of Poznan. As a young man his college studies were begun in Bytomium, in upper Silesia, where on their completion, he decided to make the railroad his life's career. But after a few months of work on the railroad he became dissatisfied, recognizing the void in his life, he abandoned this position. An irresistible force called him to higher things. This urge became so persistent that he began to dream of sacrificing his life to work in the Vineyard of Our Lord. Hearing that there were a need of priests of Polish descent in the United States, on the advice of others, he began his studies at the Petite Seminaire in Floreffe near the city of Namur in Belgium which was under the direction of the Norbertine Fathers. It was here, that he began his study of philosophy which is a pre-requisite for the study of Theology. In the Petite Seminaire therefore, he began his preparations for his future pastoral duties among the Poles in the United States.

During his stay at the seminary John met the Most Rev. Bishop Dennis M. Bradley, D.D., the first Bishop of the newly created diocese of Manchester, who accepted him into the diocese. On the advice of the Most Rev. Bishop, John, having finished his philosophical studies, entered the American College in Louvain, Belgium in 1897. His most cherished dream was realized on July 15, 1900 when for the first time he could call himself a priest of God. He was ordained by the Auxiliary Bishop of the Diocese of Maligne, Belgium, Most Rev. J. F. Van Der Stappen, D.D.

Immediately after his ordination, Father John returned to his family home in Silesia and there remained until the latter part of August. Rest and relaxation stimulated him to further action and he impatiently awaited the opportunity of leaving Europe to commence his work among the Poles in the United States. He arrived in New York the second of October, 1900. October 4, 1900 found him in Manchester, N. H. petitioning the Bishop for an assignment. He was assigned to the Cathedral Parish, to work among the people of the Polish descent. Here he labored for almost two years, during which time the Polish immigrants became quite numerous and the Bishop allowed them to buy an old Protestant Church, which was remodelled by the parishioners and blessed by the Bishop. This became the Polish parish in Manchester, under the patronage of St. Hedwige and Rev. John B. Puchala its first and only pastor. For the first time Mass was celebrated on the first Sunday of August in the St. Hedwige Church.

Father John B. Puchala has the distinct honor of being the only priest in the diocese to be assigned by the first Bishop of the Diocese of Manchester to his original appointment.

During the pastorate of Rev. John B. Puchala a modern three-story brick school was built in the year of 1906. In the same year a home was bought that was remodelled for an up-to-date convent for the Felician Sisters who from the very beginning have served as teachers in the secular and religious education of the children of the parish. Available land adjacent to the Sisters' Convent was bought and is now used as a playground for the children of St. Casimir School.

When the opportunity arose the home next to the church was bought with the idea of some day expanding the church. In spite of all the hardships and obstructions in the life of Father Puchala, Almighty God blessed him with health and strength so that today we participate in the celebration of His Golden Sacerdotal Jubilee.

ZYCZENIA DZIECI SZKOLNYCH

Najczcigodniejszy Księżu Jubilacie!

Dzień dzisiejszy to dzień chwały dla Ciebie Przewielebny nasz Księżu Proboszczu, bo to dzień Twojej nieocenionej pięćdziesięcioletniej pracy dla Boga i bliźniego.

Pięćdziesiąt lat! troskliwej i mozolnej pracy we winnicy Pańskiej jakież musiały bogate przynieść plony. Nie szczędziłeś Wielebny Ojczyźnie zdrowia ni sił, gdy chodziło o dobro dusz powierzonych Twojej pieczy.

Gdyś przyszedł do nas pełen zapału i poświęcenia, doskonale pojmowałeś ile pracy i trudu czeka Cię Wielebny Księżu Proboszczu tutaj w Manchester. Z olbrzymią odwagą zabrałeś się do dzieła. Sam wiesz najlepiej Czcigodny Księżu Jubilacie coś dla nas uczynił.

Pragniemy zatem dzisiaj publicznie za Twoją ciężką pracę złożyć nasze podziękowanie i życzenia, choć w krótkich lecz szczernych słowach bo i tak wyrazy są tylko słabym tłumaczeniem uczuć serca. Niech w każdym zakątku brzmi — Dzięki i cześć naszemu "Czcigodnemu Jubilatowi." Niech żyje najdłuższe lata w czerstwym zdrowiu na chwałę Boga i dobra naszego.

Niech Bóg nagradza hojnymi łaskami a w niebie umieści między niebianami.
